The regular meeting of the P. E. O. Sisterhood will be held Wednesday afternoon at the home of Mrs. McDonald. The program will be devoted to music and papers on musical subjects will be read.

The ice cream benefit of the Tillikum girls which was to have been held at the North Platte Candy Kitchen this evening has been postponed until Wednesday, May 24th, on account of the cool weather.

Weather forecast furnished by the local office of the weather bureau: Fair and continued cool tonight, probably frost. Wednesday fair and warmer. Highest temperature yesterday 55, a year ago 76; lowest last night 32, a year ago 42.

The Hendy-Ogier Auto Co. has placed an attachment of \$171.83 on the land used by Scoonover & Lloyd fourteen miles west of town for the amount due on a mortgage on the Dodge car which H. Scoonover purchased last spring. The case came up for hearing in the county court Monday and was continued for forty days.

## Will Deliver Commencement Addresses

H. G. Knowles, pastor of the Christian church of this city, will deliver three commencement addresses this week. Tomorrow evening he will deliver the address at the Maxwell commencement. He then goes to Highland, Kansas, to make the address at the Highland College Thursday evening, and on Friday evening will make the address at the Hershey commencement. This means about thirty-six hours of travel out of forty-eight hours of time, as to go to Highland means Mr. Knowles needs to go to Omaha, thence to St. Joe, an auto ride to the point of destination and then an immediate return to Hershey.

The Ivanhoe club of the Yeoman lodge will hold a social dance at the Lloyd this evening.

Clyde Fristo left yesterday morning for Dickens to spend a week with the home folks.

Mrs. W. L. Richards left this morning for Kearney and Odessa to visit relatives for several days.

Mrs. J. J. Bowker returned Saturday from Chadron, where she attended the convocation last week.

Mrs. Will Eshleman will entertain the ladies' auxiliary of the Spanish War Veterans tomorrow afternoon.

Mrs. S. H. Grace returned to Chicago this morning after visiting relatives here and in Denver for twelve weeks.

Mrs. Wade Wilson of Lewellen, who has been taking treatments at the North Platte General hospital is much improved.

The Catholic ladies will hold a social at the home of Mrs. Frank McGovern 509 South Chestnut street, Friday afternoon, May 19th.

Stanley Shephard, the young son of Mr. and Mrs. J. M. Shephard, was taken to Omaha Saturday evening to have an operation performed on his right ear, in which an abscess had formed.

## E. S. Davis Appointed Trustee.

In the hearing of the Sundheimer bankruptcy case before Referee Hoagland yesterday, at which creditors were represented by local attorneys, E. S. Davis was appointed trustee. As trustee he was instructed to at once dispose of the stock, and in accordance therewith, will begin the sale of the stock tomorrow. This sale will continue until May 29th, when the stock still remaining will be auctioned off to the highest bidder.

## Grants Alternative Mandamus

Sitting in chambers last Friday Judge Grimes heard the Sidney liquor license election case, and granted an alternative writ of mandamus. Under this writ the council must file answer before May 20th, and must show cause why the vote on the liquor proposition shall not be re-counted.

The hearing is expected to take place at Sidney next Monday.

## FIRE DEPARTMENTS HOLDS A BANQUET AT THE McCABE

The efficiency of the North Platte fire department was complimented last evening by State Fire Commissioner Ridgell, Publicity Promoter Lloyd Thomas of Alliance, and by business men and clergymen last evening and by the kind words spoken the members of the department were encouraged in their work. The occasion was a banquet given at the McCabe by the department, and practically every member was present.

Shortly after 8:30 the members and the invited guests, following an invocation by Rev. Fr. McDaid, were seated at a table extending the full length of the dining hall and served with a six course dinner that was excellently prepared and faultlessly served. When the cigars had been lighted, P. J. Barron introduced himself as toastmaster with that spontaneity of wit and pleasantries which has won him a reputation more than local and called for a song from a quartette composed of Ray Tighe, H. A. Shinn, M. VanDorn and Fred Peterson. As the first speaker the toastmaster introduced J. T. Keefe, and then followed Lloyd Thomas, Fire Commissioner Ridgell, P. H. Sullivan, I. L. Bare, Rev. White, Rev. Cram, Rev. Knowles, Rev. Harman and Rev. McDaid. Each speaker referred to the efficiency of the department, the self sacrifices the members make for the good of the town, and the need of quarters for the department. Mr. Ridgell and Mr. Thomas both referred to this lack of accommodations and hoped that the business men and citizens generally would soon see that adequate quarters are provided. At Alliance the department has not only large and well appointed quarters, but they have a bath house that cost \$1,800. The remarks of several of the speakers were interspersed with many good stories.

The banquet was a decidedly pleasant one, and will tend to strengthen the good-feeling among the members as well as to make stronger the growing sentiment among citizens that the North Platte fire department must have suitable quarters.

## Announce Formal Opening

Howe & Maloney, who recently added a complete line of hardware to their furniture and house furnishing goods lines, announce a formal opening on Tuesday, Wednesday and Thursday of next week, and the general public is cordially invited to call on one or all of these days.

During these days the ladies of the P. E. O. will share in the receipts of the entire stock, that is on those days they will receive a percentage of sales made. The ladies have adopted this course as one means of raising funds to defray the expenses of the next annual convention of the P. E. O. which will be held in North Platte.

## Graduation Gifts.

The graduating class this year is the largest in the history of the school, and knowing this we have put in an exceptionally large line of books suitable for graduation gifts, also the Moore non-leakable and Waterman Ideal Fountain pens, and copyright and popular books. We also have many other articles that make useful and suitable graduation gifts. We will be pleased to have you call early and make your selections.

## PARGEON ARRESTED SATURDAY ON BOOTLEGGING CHARGE.

Frank Pargeon, a bricklayer by trade and an old resident of the city, was arrested Saturday evening by Officer Bybee on the charge of peddling liquor. At the time of his arrest Pargeon had four pint bottles in his pockets and was on the point of making a sale of one or more bottles to out of town men.

Formal complaint was filed against Pargeon yesterday and being arraigned in court in the afternoon pleaded not guilty. He will be given a preliminary hearing in a day or two. It is said that in the recent election Pargeon was a warm advocate of a saloonless town.

## SOME FACTS:

Were you to choose the kind of bottled soda to drink, would you choose the bottle of soda that was made by methods in vogue years ago or would you choose a bottle of soda that was manufactured in a thorough, modern equipped factory with all the latest machinery such as Automatic filling machine, Rinsers and Sanitary soakers and sterilizer. After these cleaning processes the bottles are rinsed under pressure from your city mains, allowing a nice clean stream of water passing into each bottle under a pressure of thirty-five or forty pounds always insuring a sanitary package.

Bottled sodas prepared by some manufacturers to start with the bottles are dumped into a tank of cold water and washed by hand, nothing added to kill impurities or to sterilize the bottles, after this washing process they are filled with so called soda water and go to the consumer and often times are full of impurities. Therefore is it any wonder the public demand better pure food regulation?

We have always prided ourselves in the quality and cleanliness of our packages and a great many of you are personal witnesses of our growth in the short time we have been with you.

I have heard of soda water bottlers, since I have been in the bottling business that would try to push poor and dirty and cheap sodas off on the children. But will truthfully and frankly say to the public that I never built up my bottling business to the present standard by stooping to such methods. Our growth has been made by quality goods and a square deal and a boost for the town we live in and these things I attribute to our success in the bottling trade.

When you drink a bottle of Porter's Star Pop. whether it be night or day you may rest assured that it has past the rigid inspection as to quality and sanitary conditions.

From various sources and for reasons not easily understood, erroneous and false statements have often been made relative to Bottled Soda water, for the apparent purpose of creating a prejudice in the public mind against all beverages familiarly known as soft drinks.

To contradict such false and malicious statements and to demonstrate that bottled soda water particularly is the purest, most healthful and most refreshing of all summer beverages and it is only necessary to consider the following simple truths which are easily proven and cannot be contradicted.

1st. Absolute cleanliness is the first requisite of every successful bottling shop.

2d. Pure carbonic acid gas in beverages is healthful, refreshing and tonic in its action upon the digestive organs.

3d. No flavoring or coloring which is harmful and no deleterious drugs are now permitted to be used in bottled or fountain soda water.

4th. There is abundant medical testimony to prove the beneficial influence and refreshing effect of carbonic acid gas upon the appetite and digestion. Ask your doctor about it.

The bottler does not make the gas, but buys it, purified and liquefied from the large manufacturers, thus insuring none but the purest and best gas.

We wish to thank the public in general for their loyal support and your support has contributed to our success and especially do we thank the dealers in getting behind our goods and to help in making them a success.
